INDEPENDENT AUDITORS' REPORT

**TO THE SHAREHOLDER OF INTENSE TECHNOLOGIES (FZE),
HAMRIYAH FREE ZONE, SHARJAH, UAE**

Report on the financial statements

We have audited the accompanying financial statements of **INTENSE TECHNOLOGIES (FZE)**, Hamriyah Free Zone, Sharjah, UAE which comprise the statement of financial position as of March 31, 2022, the statement of profit or loss and other comprehensive income, statement of changes in equity, statement of cash flows for the year then ended, a summary of significant accounting policies and other explanatory notes related to the financial statements, set out on pages 5 to 15.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards (IFRSs) and with the applicable provisions of implementing regulations issued by the Hamriyah Free Zone Authority pursuant to Emiri Decree No. 6 of 1995. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the accompanying financial statements give a fair view, in all material respects, of the financial position of the Entity as of March 31, 2022 and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

: 3 :

Report on other legal and regulatory requirements

As required by the provisions of the Emiri Decree No. 6 of 1995 issued in Sharjah; applicable to Hamriyah Free Zone Authorities, we further confirm that:

- i) We have obtained all the information and explanations necessary for our audit;
- ii) According to the information available to us, there were no contraventions during the year of the above mentioned law or the company's Articles of Association which might have material effect on the financial position of the company or the results of its operations for the year.

Respectfully,

Maxims Auditors & Consultants

d. *Revenue Recognition*

Income is recognized when it is earned, not necessarily when received. The income has been recognized when invoices are raised and acknowledged by the customer. Expenses and charges have been recognized when it was incurred, not necessarily when paid.

e. *Inventories*

Inventories are stated at the lower of cost and net realisable value using weighted average method. Costs comprise direct materials and, where applicable, direct labour costs and the overheads that have been incurred in bringing the inventories to their present location and condition. Net realisable value represents the estimated selling price less all estimated costs to completion and costs to disposal.

f. *Accounts Receivables*

Accounts Receivables are amounts due from customers for merchandise sold or services performed in the ordinary course of business. If collection is expected in one year or less (or in the normal operating cycle of the business if longer), they are classified as current assets. If not, they are presented as non-current assets. Trade receivables are initially recognized at fair value and subsequently measured at amortised cost reduced by appropriate allowance for estimated doubtful debts.

g. *Other Receivables*

Other Receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are included in the current assets, except for maturities greater than 12 months after the end of the reporting period. The entity's other receivables comprises "cash and cash equivalents, deposits, prepayments and loans and advances.

h. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and bank deposits free of encumbrance with a maturity date of three months or less from the date of deposit and other short-term highly liquid investments with a maturity date of three months or less from the date of investments.

i. Other Payables

Other payables represents current payables other than dividend payables and tax payables. These payables are expected to mature within one year or an operating cycle, which ever is no longer. Other payables includes payables to employees, accrued expenses and duties.

j. Provisions

Provisions are recognized when the entity has a present legal or constructive obligation as a result of past events; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and a reliable estimate can be made of the amount of the obligation. The expense relating to any provision is recognized in the profit or loss, net of any reimbursement.

k. Foreign Currency Transactions

Foreign currency transactions are recorded in UAE Dirham at the approximate rate of exchange ruling at the time of the transaction. Assets and liabilities expressed in foreign currencies at the Statement of Financial Position date are converted to UAE Dirham at the year end rate of exchange. All foreign currency gains and losses are booked in the statement of income as they arise.

l. Profit and Loss account

The entity's profit or loss is arrived at after charging all expenses incurred in day to day operations of the business and in maintaining property, plant and equipment.

m. Rounding off

The figures stated in the attached financial statements are rounded off to the nearest UAE Dirham.

n. Fair Value of financial instruments
