Stay ahead in digital race by gaining 360-degree view of your customers

Today's digital age is fueling your policy holder's expectation of responsiveness and comprehensive service. You need to get a 360-degree view of the customer across all services / products and communicate via email, text and a whole range of new channels and formats to fill the gaps in customer experience.

UniServe™ NXT platform based customer engagement and information management solution digitalizes Omni-channel customer experience. With this platform, you can maintain a single customer relationship across all services / products and get customer insights to maximize revenue from up-sell and cross-sell.

Various Policies

- Unified Platform
- Personalized & interactive engagement with payment capability

Business agility with UniServe™ NXT

Customer support costs will decline with fewer calls to customer care. Customers will pay premium on time thereby obviating needless penalties.
